Summer is Here!

If Your Sprinklers
Aren't Watering
Your Lawn, Call
Us Now!

Triple digit days mean your lawn is thirsty. If your sprinklers don't work, or if they're out of adjustment, you have dying patches of lawn. Worse, a leak in the system can mean a soggy patch here and a dry patch there. Our licensed irrigator can fix the problem in a jiffy. We also design and install new irrigation systems – pop ups, rotors or drip.

SALE Hoses & Water Wands 20% Off!

Hot, dry weather means it's time to water. If you need a new hose or water wand, take advantage of our sale on all hoses and water wands in stock.
